RE: Hassayampa Utilities – Application for a Certificate of Convenience and Necessity. Docket No. SW-20422A-05-0659

SUFFICIENCY LETTER

Dear Mr. Patten:

On March 27, 2006, the Utilities Division filed a sufficiency letter for the matter of the application of Hassayampa Utilities Company ("Hassayampa") for a Certificate of Convenience and Necessity ("CC&N"), Docket No. SW-20422A-05-0659. Staff inadvertently placed the wrong docket number on the sufficiency letter so it was filed in another company's docket. That letter, showing the Docket Control stamp of March 27, 2006, is attached.

The purpose of this letter is to place a sufficiency letter into Docket No. SW-20422A-05-0659. However, for the purposes of the time clock for CC&N applications set forth in the Arizona Administrative Code, the date the Hassayampa application became sufficient should continue to be considered March 27, 2006.

Pursuant to the A.A.C. R14-2-411(C) for water and R14-2-610(C) for wastewater, the Commission has 150 calendar days to approve or reject this application after it was deemed sufficient. This time period will encompass the filing of Staff's recommendation, an evidentiary hearing, a Recommended Opinion and Order and a Decision from the Commission.

If you have any questions please contact me at 602-542-0859.

Yours truly,
